

Payoneer.

The Way Affiliates Gets Paid

Receive payments from multiple sources, quickly, easily and cost effectively.

With hundreds of thousands of cardholders getting paid directly to Payoneer cards, Payoneer is quickly becoming the standard way affiliates get paid.

Definitely the best way to get paid.

Sign up for the Payoneer Affiliates Payment System and enjoy:

- **Payoneer Affiliates Card:** Globally accepted Prepaid MasterCard® card. No bank account or credit check necessary.
- **Immediate liquidity:** Payments available in minutes
- **Convenience:** Get ACH payments from multiple sources direct to your card. Forget about bureaucratic hassle and trips to the bank.
- **Flexibility:** Withdraw funds at any ATM or use for purchases at over 26 million MasterCard locations worldwide; "top-up" online by credit card or with Western Union.
- **Responsiveness:** Customer support by online chat, email or phone.
- **Online access:** Check account and perform transactions online 24/7.

Getting paid with the Payoneer Affiliates Payment System is easy!

Sign up online and send your Payoneer account and routing numbers to the Affiliate Networks you work with. They'll load your next payments direct to your Prepaid MasterCard card. You'll receive your funds immediately and can use the card to spend or withdraw money anywhere that accepts debit MasterCard.

To sign up and/or learn more about the Payoneer Affiliates Card check out www.payoneer-affiliates.com

“The Payoneer Affiliates Payment System is definitely the smartest payment choice for Affiliates. Why would anyone ever deal with checks or wire transfers again?”
