

Changing the Way the World Gets Paid

Payoneer Commissions Card

Deliver international commissions **quickly, easily and cost effectively**

- ▶ Provide your overseas sales force with the option of receiving their commission payments on a private-label Prepaid MasterCard® card and recurring electronic transactions. Payoneer's turnkey solution is a cost-effective, immediate and streamlined alternative to checks or wire transfers for the delivery of commissions to distributors, representatives and consultants around the world.

The Best Way to Pay

Cost-savings: Reduce costs upward of \$1-2 per payment

Rapid deployment: Fully-hosted solution requires minimal resource for implementation and manages A-Z of ongoing program operations

Localized solution: Multi-currency solutions with multi-lingual 24/7 cardholder support

Efficiency: Eliminates administrative hassles of cutting checks, sending wires, tracking payments, re-issuing lost checks, etc.

Loyalty: Private-label card, cardholder website and emails reinforce top-of-mind awareness with remote distributors and the convenience increases sales force satisfaction

Customized solutions: Payoneer can optimize existing payments processes to create operational efficiencies that save your organization money

The Best Way to Get Paid

Immediate liquidity: Commissions available in minutes anywhere in the world

Convenient: Access commissions in local currency, eliminating bureaucratic hassle and trips to the bank. No bank account or credit check is required

Cost-effective: Fraction of the cost of checks or wires

Flexibility: Withdraw funds at any ATM or use for purchases at millions of MasterCard locations; "top-up" online or at over 245,000 Western Union locations worldwide

Branded card: Facilitates word-of-mouth recruiting to build down-line

24/7 Support: Customer support includes branded website, live chat, email or toll-free live agents
