

# Global Payouts Made Easy

Payoneer.  
Secure, fast and cost effective  
mass payouts to recipients around the world

Payoneer helps web-based businesses pay large numbers of people around the world, efficiently and securely, direct to co-branded prepaid MasterCard® cards. Cardholders receive their funds immediately, avoid steep bank charges and hassles, and can use the card to spend or withdraw money in their local currency anywhere that accepts debit MasterCard.

## The Best Way to Pay

- **Cost-savings:** Reduce payment processing costs
- **Rapid deployment:** Fully-hosted turn-key solution
- **Localized solution:** Multi-currency solutions with multi-lingual cardholder support
- **Efficiency:** Eliminate administrative hassles of cutting checks, sending wires, tracking payments, re-issuing lost checks, etc.
- **Loyalty:** Private-label card, cardholder website and emails reinforce top-of-mind awareness

With hundreds of thousands of cardholders, Payoneer is quickly becoming the mass payout standard, particularly among businesses making payments to recipients abroad. Payoneer is a registered MSP with MasterCard.

The Payoneer Prepaid MasterCard is issued by First Bank of Delaware, Member FDIC, pursuant to a license from MasterCard International Incorporated.

“Our publishers love their co-branded cards from Payoneer because they get paid faster, and the overseas publishers can keep more of their earnings. We love it because it lowers our processing costs, and because it keeps this important community of ours happy.”
